## **Everbright Sun Hung Kai awarded multiple energy saving awards**

**Hong Kong, September 9, 2019** – Everbright Sun Hung Kai Company Limited (“Everbright Sun Hung Kai” or the “Company”) is pleased to announce that it has received an array of energy saving awards: two “Platinum Award” at “Charter on External Lighting” organized by the Environment Bureau, two “Appreciation Certificates” at “Power Smart Energy Contest 2017/18” organized by Friends of the Earth, and “4Ts Charter” co-organized by the Environment Bureau and the Electrical and Mechanical Services Department respectively. These awards recognize the Company’s achievements in helping create a better environment conducive to sleep, promoting energy efficiency and reducing environmental impacts arising from the use of energy for the society.

“Charter on External Lighting” launched by the Environment Bureau aims to encourage participating organizations to switch off unnecessary external lighting at night. A reflection of the Everbright Sun Hung Kai’s unwavering commitment to minimizing light nuisance and combating climate change, both its Wealth Management Centers located at the heart of the city, Sheung Wan Wealth Management Center at 238 Des Voeux Road Central and Mongkok Wealth Management Center at Pioneer Centre, comply with the Charter’s requirement to switch off external lighting installations from 11 p.m. to 7 a.m. every night.

For “Power Smart Energy Contest” organized by Friends of the Earth, Everbright Sun Hung Kai’s General Administration Team implemented comprehensive measures to conserve energy which have helped reduce electricity consumption significantly. The measures will lead to sustainable electricity cost savings in the long run. At the same time, the Company pledged its support to “4Ts Charter” jointly organized by the Environment Bureau and the Electrical and Mechanical Services Department. The Company promised to carry out specific energy efficiency measures and objectives under the 4Ts framework – Target, Timeline, Transparency and Together. As part of the measures, the Company practiced green management in the office and it has implemented various Green Office initiatives.

Celebrating its 50<sup>th</sup> anniversary in 2019, Everbright Sun Hung Kai has been evolving and growing with Hong Kong. The Company is dedicated to fulfilling corporate social responsibility and cultivating an energy saving culture. These accolades are testimony to its success and contribution to promoting energy efficiency. Everbright Sun Hung Kai will continue to devote time and effort to promote energy efficiency, facilitating sustainable development in Hong Kong.

– End –
